

Recruiters,
you can
only wear
so many
hats.

Let PracticeMatch take
some work off your plate,
so you can focus on
physician recruitment.

WE'LL FIND INTERESTED, PRE-SCREENED CANDIDATES.
YOU TAKE IT FROM THERE.

- Our dedicated sourcing directors will market your opportunities and find physicians who match your specified criteria.
- Our sourcing directors are dedicated to finding quality candidates for YOU. We never "farm out" physicians to facilities other than yours.
- The sourcing process is completely transparent. You'll see exactly what sourcing tasks are being done and be kept in the loop on candidate progress.
