Jeff Skoblow Selected for the Alumni Association "Great Teacher Award"

The SIUE Alumni Association has selected Dr. Jeffrey Skoblow as its 2013 Great Teacher Award recipient. He is a professor of English Language and Literature in the College of Arts and Sciences. Skoblow is the 45th SIUE faculty member to receive the honor since its inception in 1970.

"Jeffrey is one of the most student-centered professors I've ever known," said Sharon James McGee, associate professor and chair of the Department of English Language and Literature. "As a mentor, he is concerned first and foremost with students' progress and success. He is every student's biggest cheerleader. He wants every student to do well and succeed both in school and in their lives beyond the University."
